

Introductory Lesson Outline

Once you have completed the “Am I Ready?” checklist, this lesson is designed to model the writing process with your class.

- Login to the program, as a student, and project the student Writing Dashboard on your projection device. ***Students should not be on the computers while you do this.***
- Demonstrate how to:
 - Access *Special Instructions*
 - Review the *prompt* and *Writing Resources* by clicking directly on the *prompt*
 - Review the *rubric*
 - Click *START* to begin assignment
 - In the writing space, click on the *Prompt* drop-down menu and *Writer’s Toolbox*

- Write a sample response, as a class, and submit the essay.
 - Go to *Student Portfolio*
 - Discuss the *scores* and *feedback* displayed.
- Click back on Assignments. Click *Start Revision*.
 - Model revision strategies by using
 - MY Tutor
 - MY Editor
 - Revision Plan
- Click submit and then submit for score
 - Review scores and feedback
- View *Portfolio*
 - Discuss changes in the *scores* and *feedback* based on revisions
