

Getting Started

MY Access! is effective whether teaching in a bricks-and-mortar, blended, or completely on-line classroom. After all, good teaching is good teaching and, most importantly, we are here to help!

We've developed both print and video resources, using the MY Access! tools. We also encourage you to schedule a webinar to discuss best practices. Just contact Dr. Madeline Pan (mpan@vantage.com) VP Professional Learning Connections or your Literacy Specialist.
