

iSEEK Hot Button

The iSEEK Hot Button is a great way to quickly lookup web information about any of your Accounts and Companies. Use the Hot Button to stay engaged with your Accounts by finding the latest available news and buzz.

Using the iSEEK Hot Button [Video]

- One click instantly opens all relative web information making it easier for you to find what you are looking for
- Conveniently connect with your organization by viewing social media pages and interactions
- Easily find posts, links, articles, etc. related to the company you are searching
- Stay updated on your companies' news and events to be one step ahead of your competition

The screenshot displays the AMPED iSEEK interface. The top header includes the AMPED logo, a user profile for 'delyte', and a search bar. A sidebar on the left contains navigation links: Home, Calendar, Messages, Leads (highlighted), Accounts, Contacts, Opportunities, Campaigns, Analytics, and Extend. The main content area shows a lead profile for 'Steve Jobs' with a profile picture, contact information (phone, email, and a 'Convert' button), and a 'DESCRIPTION' field containing 'AMPED model account'. Below this, the 'LEAD INFORMATION' section is expanded, showing a table of lead details. The 'ACTIVITIES' section on the right contains a 'Find Existing Q' button. A 'CUSTOM INFORMATION' section is partially visible at the bottom.
