

March 2022

Improvements in AMPED Calendar Integration

- **Outlook/Gmail to AMPED Sync**
 - Marking events private will prevent them from syncing into AMPED
- **Rich Text Editor for Calendar Descriptions**
 - New rich text support for activity descriptions
- **AMPED to Outlook Calendar Sync**
 - Events created in AMPED will be synced to Outlook Calendar
- **AMPED to Gmail Calendar Sync**
 - Events created in AMPED will be synced to Gmail Calendar
- **Calendar Integration Sync Deletion**
 - New Delete sync from Outlook/Google

Enhanced Email Composer Feature

- Reload email composer with attachments for saved/draft email
