

IntelliWriter - User Guide

Introduction

Welcome to the IntelliWriter® user guide. Think of IntelliWriter as your very own writing assistant; IntelliWriter will help you master a variety of writing styles, build your confidence, and succeed academically or in your career. IntelliWriter's [Improve your Writing in Six Steps!](#) will guide you through the writing process from draft to publication! In addition, the [Writer's Guide](#) provides resources to support your writing development.

System Requirements

Computer Operating Systems

Windows: Windows 10 and higher.

Mac: OS X 10.10 and higher

Browsers

Malicious hackers and Web sites can exploit security flaws in browsers and infect your computer with harmful programs. Regular updates to your browser fix security problems when they are detected, and make your computer safer from those types of attacks. The most recent versions of the following browsers are recommended.

Preferred. [Chrome](#) and [Firefox](#), [Safari](#)(Mac), and [EDGE CHROMIUM-BASED BROWSER](#).

Make sure cookies and JavaScript are turned on for your browser.
